SIBL-BEMA SCHOLARSHIP

SIBL-BEMA SCHOLARSHIP

In conjunction with SIBL 40th Anniversary, \$155,500 was raised for a new SIBL-BEMA Scholarship. Thank you to all the donors for your generosity!

The SIBL-BEMA Scholarship aims to award scholarships to students in the Bachelor of Science (Project and Facilities Management) programme with a preference for Singapore citizens.

The Gift will establish scholarships valued at up to ten thousand Singapore Dollars (\$10,000) each, with the intention that at least one scholarship be awarded in each academic year subject to sufficiency of funds and/or available income from the Gift and the University's prevailing spending policies.

The capital sum of the endowed gifts will be preserved and invested to generate an annual income. The distributable income from the return of the investment of the endowed gifts will be applied towards the Gift Purpose.

Our 2022 Donors: Thank you for your generosity!

A truly humbled and appreciative Dr Michael Chew (Head, Department of the Built Environment / College of Design and Engineering, NUS), thanking the donors for their contribution.

Continuing Professional Development

A key feature of the SGBC Green Mark Professional Qualification Scheme is the establishment of a Continuing Professional Development (CPD) framework for all Green Mark APs. Through a host of meaningful programmes and activities, Green Mark APs are able to remain abreast of industry trends and stay ahead of sectoral developments.

Green Mark AP certifications are renewed annually upon fulfillment of the renewal requirements.

Renewal requirements
for Green Mark AP and
Green Mark AP (FM)

Accrediting Green Building Professionals

The SGBC Green Mark Professional Qualification Scheme succeeds the BCA Green Mark Specialist programme and aims to uplift, upskill and recognise green building competencies of professionals active in the built environment sector.

Certification Types

Green Mark AP

The Green Mark AP certification qualifies industry professionals with the knowledge and expertise needed for the implementation of Green Mark projects.

- Green Mark Accredited Professional (Green Mark AP)
- Green Mark Advanced Accredited Professional (Green Mark AAP)

Green Mark AP (FM)

The Green Mark AP (FM) certification qualifies industry professionals with the knowledge and expertise needed to maintain and operate green buildings.

- Green Mark Accredited Professional (Facilities Management) (Green Mark AP(FM))
- Green Mark Advanced Accredited Professional (Facilities Management) (Green Mark AAP(FM))
